

Transportation Interim Study Items

For Review by the Transportation Interim Committee | May 18, 2021

On April 14, 2021, the [Legislative Management Committee](#) approved the below study items for the Transportation Interim Committee. Per legislative rule [JR7-1-401](#):

- 3) *Each interim committee shall adopt a list of interim study items during the interim committee's first meeting of each calendar year as follows:*
- a. *the interim committee shall review the study items provided by the Legislative Management Committee...;*
 - b. *the interim committee may, by majority vote, modify or add to the list of study items described in Subsection (3)(a), provided that any additional item adopted by the committee is consistent with the interim committee's duties...; and*
 - c. *the interim committee shall adopt the original or amended list of study items by majority vote.*

Study Items:

1. Road usage charges, vehicle registration fees, and transportation user fees
2. Transportation corridor preservation
3. State airplane fleet and operations
4. Current and future needs of alternate fueling stations
5. Adoption of electric and alternative fuel vehicles
6. Impact of federal funding on state transportation and debt service requirements
7. Evaluating transportation spending
8. Safety inspections
